MID-LEVEL DESIGNER

Kohler Architecture is seeking a highly motivated Mid-Level Designer to join our growing team. Are you a creative thinker, passionate and like to work with a small team committed to big results? Now entering our fourth decade of practice, Kohler Architecture, has cultivated a lively and diverse culture that places emphasis on improving lives, Doing It Right, never settling, and collaboration. We exist to empower communities to Make things Better. We're devoted to our staff and our community. Our passion is our purpose. Given our smaller size, the position offers an excellent opportunity to learn and gain experience in a variety of phases and construction types. Employee will experience all aspects of a project from schematic design through on-site construction administration duties. We place a high priority on educating our staff and we support employee IDP programs and educational development.

Position is full time (40 hrs./wk.) with overtime opportunities as dictated by workload. Compensation is highly competitive given our small size and based on applicant's experience, certifications, and skillset with ample room for advancement. Benefits include paid time off, flextime, an annual discretionary bonus opportunity and more.

The applicant must possess the following skills and qualifications:

- Minimum 5 years work experience in Architectural/Design services or related construction field.
- Strong problem-solving skills.
- Ability to work independently AND to contribute to a team environment in a positive and effective way.
- Excellent verbal and written communication skills.
- Must be teachable, demonstrate initiative, and have a positive attitude.
- Exceptional time management and organizational skills
- Experience with built projects and working with contractors.
- Construction knowledge including, technical and detailing skills of residential and commercial construction.
- Software Proficiency in Revit, AutoCAD, MS Office, MS Excel desired.

Duties will include:

- Will report to Senior Administrators.
- Assist in the Management of Projects.
- Performing the tasks required for projects through all Architectural phases including: Project Initiation, Site Plan Review, Schematic Design, Design Development, Construction Documentation and Contract Administration.
- Prepare creative designs or related drawings and details, develop specifications, cost estimates, or other documents as needed.
- May provide guidance to junior designers, draftsmen, and / or interns.
- Other duties and projects as assigned.

The perfect candidate is interested in helping to build the future of the company. Are you interested? If so, we'd like to talk to you about your experience and the opportunity of joining us.

Please email a single pdf document no more than 3MB that includes a cover letter, resume and work samples (professional if any, and/or academic) and salary history/requirements to: resume@kohlerarchitect.net
